## **Old Business**

Opal updated us on the Float and Booth update.

Received second place and a ribbon on our booth. Opal and Marjorie did the float and represented us well in the parade.

Cattle Women served Ice Cream and Cake at the Nursing Home and Assisted Care in Sundance at 2PM on August 26<sup>th</sup>. Cattle women bought the Ice Cream and Serena Roxie and Janet donated the cake.

## Napkins

Dinner Napkins- .124/napkin, \$240/box, 1600/box, 1 sleeve is \$30 and contains 200 napkins and 8 sleeves/box, each box weighs 25 pounds.

Beverage Napkins- .057/napkin, \$130/box, 6000/box, 1 sleeve is \$20 and contains 250 napkins and 8 sleeves/box, each box weighs 35 pounds.

With the \$3700.00 coming in for the brands, selling the Dinner napkins for \$.15 each and the cocktail napkin at \$.8 each along with donating 25,000 of each size of napkin, the club would make approximately \$350.00.

Club voted in July to personally pay for napkins when you take them home, then when you sell them, you keep the money. Please keep correct records on the check out sheet at the storage unit, whether or not you are selling or donating.

Every club member received one of each napkin to look at. Janette had the idea to leave the leftover opened box to Cindy for letting us have the meeting in the café. Hannah moved and Roxie seconded.

The napkin setup is ours and we can use them to make other items such as scarves and mugs... etc.

Janette made a motion to sell one sleeve of dinner napkins at \$30 and one sleeve of cocktail napkins at \$20. Evelyn seconded.

## New Business

State Cattle Women President Janet Gibbons from Arapahoe agreed to come to our dinner November 9. Margaret usually gets the corsage. The committee for the dinner is Jeanette and Janet. Hannah said she would help decorate.

Minnie moved to adjourn and Lauren seconded.

Adjourned at 11:18pm.

Respectfully Submitted,

Hannah Ista
