Old Business:

Some discussion about the Christmas party was talked about. To be held at the Senior Citizens Center in Sundance, WY. December 5th, at 5:30pm. Will be catered and \$12 per person. A volunteer was needed to mail invites which need to be mailed by the 15th of November. RSVP to Opal or Mary.

New Business:

State Cattle Women President Janet Givens from Arapahoe came to our luncheon. Margaret made her a \$\$\$ corsage. The committee for the dinner was Jeanette Smith and Janet Jensen and did a great job! Many door prizes were handed out.

Lisa Darlington, President of Weston County Cattle Women gave a yearly review followed by Denise Wagner with a Crook County yearly review. Janet Givens gave a report on how the State was doing. Janet Givens said the future was a little dreary. We need to get more members. The Beef Certificates are no longer being funded along with the Beef Ambassador program. In June, the Wyoming Stock Growers Assn. asked to promote both groups, to combine member application on each form. We were asked to bring a friend to meetings to add members and to concentrate in our local areas!!!

There was discussion about each county's marketing process and ideas were traded back and forth.

Suggestion made by Janet Givens was to keep small gifts such as mugs, napkins bundles and etc. easily accessible at flowers shops, Farm Bureau and gas stations, to keep our name out there.

Respectfully Submitted,

Hannah Ista
